COMPULSORY MEDICAL CERTIFICATE
For competitive sport activity

The certificate is in accordance with the italian law (DM 18/02/1982).
It's compulsory to use this form in order to make sure the organization can treat all the certificates, sent from different countries, correctly.
This medical certificate has to be filled in using capital letters, dated and signed by the doctor, who stamps it and specifies his/her professional number.
Nobody will attemp the race without the medical certificate
